PHANTASY

FANTASY # 1: I dress as a
Man. I go to Morocco and
look for Paul Bowles.

I find him.

I ride camels.

I write.

I smoke hashish.

I hear music that drives men
Mad.

To ecstasy.

No one ever knows that I
am a woman.

Me
and the baby
and the stroller
and the juice bottle
and my purse
and the story books
and the toys
and the diaper bag

So

do not be angry
when baby cries
and I am grumpy
as I hold all this up
as we sway

in the aisle
waiting for our

POT AU FEU

A KIND OF POT AU FEU

RUB THE OXTAILS WITH TOMATOE PASTE AND CRUSHED BLACK PEPPER AND GARLIC, roast at 350 degrees till brown ... Drain...

Simmer oxtails, onions, celery, green pepper, carrots, potatoes, can of tomatoes, cumin, corriander, a chili pepper or two, oregano, basil, marjoram and basil; with red wine and water to cover. A dash of vinegar is nice. Takes about 3 hours. Good with cheap red wine and salad and bread.
