Why did I come to this meeting? I reek of garlic. I had 3 glasses of wine with dinner and I'm sure the blonde warriors think I am drunk. We have been everone Martians green) for an hour and a half; I (which makes everyone Martians green) for an hour and a half; I am only interested in one thing on a 12 item agenda; and now I have a headache.

#4 CIRCLE TURNS

Annual Slough Kidz Solstice Party. We take pictures of all the kids on the bridge. The Developers hired a team of surveyors to "do" the island on the same day which kind of marred the festive spirit. Are they complete grinchers and scrooges to pull this at Christmas?

Hornby? Slovan Valley? Paris? Montreal?

High rise in Kitsalano? A basement suite in the east end?

How about a performance tour of California. (If we fixed up the car.) We are broke and unemployed at the end of the week; so we might be living in the car anyways. Now, that is very California!

#6 BEV STEPS

From the AGM to the PTA.

P is for parent. T is for teachers. A is for association. But it REALLY means Mr. Principal and the Blonde Warriors from my aerobics class;

blonde bob with Farah Fawcett Flip bangs
 gold earrings, gold chains,
 big T with floral spandex bike shorts
 diamond engagement rings with gold wedding band.

"This is a CUPE issue for the our lunchroom supervisors," explains Mr Principal, "and the teachers' collective agreement is VERY specific about lunch break!"
 The president rattles her saber earrings, "Perhaps you could investigate alternatives, Stu."

#8 HOT PINK AEROBIC GEAR SANS TUTU

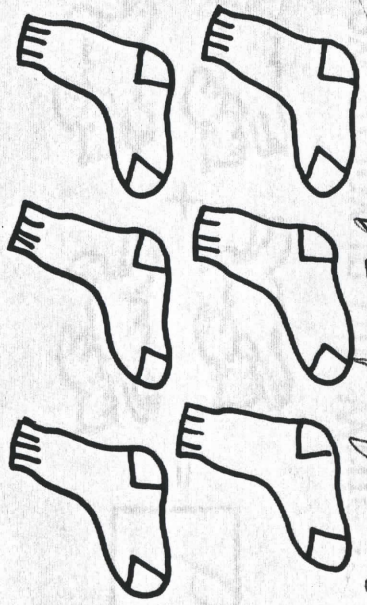

You may be wondering why I am disguised as a lycr-z-upholstered sofa. It was because of this meeting -- a private meeting -- with my evaluating officer for aerobic instructors. I had lost 10 points for dress and appearance.

"First Impressions are lasting! Your 100% cotton baggy ensemble doesn't allow the participants to see and learn from your own alignment cues. We ARE role models.

Fair enough?
I am glad we had this meeting, aren't you?"
