**Stop Staring and Listen**

Artist: Connor McCollum

Year: 1999

Run time: 13:43

Description: The Bearded Lady tells the gay mainstream to shut the fuck up and listen, turn its scrutinizing eyes on their own transphobia, racism and poor bashing, and to think hard about their misuse of the term "community". Sure to offend/empower/validate/ piss off (something for everyone! Including lots of gratuitous beard and tit shots).

**Passing**

Artist: Earl

Year: 2003

Run time: 6:40

**A Girl Named Kai**

### **I Wander**

Artist: Bobbi Kozinuk

Run time: 20:00

Description: In the performance, I insert myself into the dual role of the female lead in the film, *Vertigo*. By doing this, I am attempting to demonstrate that the gendered posturing men and women assume within society are merely roles, and not necessarily an expression of their true selves.

### **Untitled**

Description: Using Elvis' legendary film *Blue Hawaii* and various musical tracks by female First Nations artists (Kinnie Starr, Skeena Reece and Buffy St. Marie, et al) as a audio-visual backdrop, Maracle uses her own body in artistic bondage to critique primitivist modernist painters' (Gauguin, et al.) representations of Indigenous women.

**Nation of Two**

Music

Run time: 25:00

Description: Nation of Two is a guitar/drums duo from Seattle. While we can no longer claim to be the only all-transgender band on earth, we are certainly the first. We started this band over eight years ago when we began learning our instruments together. At this point we have become unique.

We don't have a style and we don't need one. There is only one genre of music anyway, which is the genre of talent. Music is about fire and intensity, the beauty of the multiplication table and the chaos of identity, shade and color, seduction and deception.

**The Handi-capable Bi-Queer Slut of the World**

Poetry and performance

Artist: Colin Kennedy Donovan

Run time: 20:00

Description: Handi-Capable-Bi-Queer-Slut of the World, the in-your-face (dis)abled advice columnist, combines a sharp sense of humor with an astute analysis of politics and culture.

**Walking With Ghosts**

Poetry

Artist: Qwo-Li Driskill

Run time: 20:00

Description: A live reading of poetry from "Walking With Ghosts," written from a contemporary Cherokee, Queer and mixed-race experience, these poems confront a legacy of land-theft, genocide, and forced removal, and resist ongoing attacks on both Indigenous and Gay/ Lesbian/ Bisexual /Transgender communities. Tender, startling, confrontational and erotic, this book honors the dead and brings the survivors back home.
